Do you like to travel or go on a trip?

People who travel are called tourists.

You can travel. You can be a tourist.

Travelling to new places is fun. You can go with your friends and see things you have never seen before.

When you go to a new place, you meet a Tourist Guide.

A tourist guide is a person that is going to help you.

Here is a tourist guide with some tourists.

The tourist guide is wearing a white blouse.

She is showing the tourists some very old statues of horses. She tells them about the statues, where they came from and who made them.

One of the tourists is taking a photo.

The statues are in a big building called a museum.

A Tourist Guide can show you very old buildings.

And they can show you places in the town or the countryside.

You will have a nice trip with a Tourist Guide!

The T-Guide website tells you more about Tourist Guides.
